Mandatory Goods

You need to supply your own mobile phone in order to access this service with the SIM card we will provide you. In order to access data using this service, your phone will need to be internet capable. Make sure that your device isn't locked to other networks.

Coverage

Coverage availability will vary depending on your device compatibility and location. Please refer to the colesmobile.com.au/coverage-map to check if your device can take full advantage of the Optus network.

Activation

To use this service, you need to purchase and activate a Coles Mobile Prepaid SIM. You need to activate your SIM within 30 days of purchase or by the date advertised in a promotion (whichever is earlier) in order to take advantage of the inclusions in any advertised plans.

Fair Go Policy

Our Fair Go Policy applies to this service. The Fair Go Policy ensures that all customers can access our services, and do not use our services in a manner that we consider 'unreasonable' or 'unacceptable', including, but not limited to 'non-ordinary' or 'commercial purpose use' of these services. The policy also sets out your responsibilities when you use the internet, including any content which you publish online or by email. It also confirms steps we may take to ensure and monitor compliance with this policy as well as setting out our responsibilities to comply with directions from regulatory and other law enforcement bodies. You can find the policy at colesmobile.com.au/policies

Cancellation Fees

There are no cancellation fees.

Data Usage

Data is counted in 1KB increments and includes uploads and downloads. After you've used your included data, you will no longer be able to use your data service until you recharge again, unless you have an active Data Extras pack. Unused included plan data will rollover up to 50GB when you recharge before credit expiry or maintain an active AutoRecharge. If you accrue over 50GB of Data Rollover you will forfeit any data over that limit.

Service Expiry

To make standard national calls and send standard national SMS and MMS, you need to have credit available on your service. If your plan is not set to AutoRecharge and you do not recharge your plan, your SIM will remain active for 90 days after your last recharge expires. If you do not recharge again during that time, your SIM will be cancelled. You will require a new SIM card to use the service, and you may not be able to continue using your mobile number.

Recharging

You can recharge your account:

- **Online:** Make a secure one-off recharge online by credit card, debit card by visiting colesmobile.com.au/recharge
- **Vouchers:** Purchase a voucher from any Coles Supermarket or Coles Express across Australia.
- **AutoRecharge:** Coles Mobile plans are set by default to AutoRecharge upon activation. AutoRecharge will automatically apply at 11.00pm AEST/AEDT on the day of plan expiry. You can turn off AutoRecharge and manage your recharges by logging in to your Coles Mobile account online at colesmobile.com.au/login or via the Coles Mobile App.
- **App:** Download the Coles Mobile app from Google Play or App store (data charges apply to download the app).

Plan Changes

You can swap to a different Coles Mobile plan at any time. When you change rate plan, you will lose your existing plan inclusions and any other credit, minutes, SMS/MMS, data, bonuses or discounts.

Calls to 1800 Numbers

If you have zero credit you will be able to make calls to 1800 numbers up until the time your plan recharge expires. Services that connect you to premium numbers may be charged to you or a third party.

Tracking Your Spend

You can track your account balance, and usage of your included data and any Extras, 24/7 through the online dashboard for your Coles Mobile account, accessible at colesmobile.com.au/login or via the Coles Mobile App. When you're in Australia, we will send you alerts when you have used 50%, 85% and 100% of your included data. We will not send you alerts for usage of Extras (including Extras data packs) or any bonus data you may have received.
